ON-RAMP TO EASTBOUND I-820 AT MARK IV PKWY. CLOSURE

FORT WORTH, Texas – On **Sunday, September 24** the on-ramp to eastbound I-820 from Mark IV Pkwy. will be closed through **January 2018 (estimated)**. Traffic trying to access eastbound I-820 from Mark IV Pkwy. can use either FM 156 or the on-ramp after Beach St.

In order to perform this operation and prepare for construction activities, the following closures will be in place on Saturday, September 23 from 9 p.m. to 10 a.m. Sunday, September 24 :

- The direct connector from eastbound I-820 to northbound and southbound I-35W. Traffic will be redirected to Mark IV Pkwy.
- The direct connector from westbound I-820 to northbound and southbound I-35W. Traffic will be redirected to Riverside Dr.

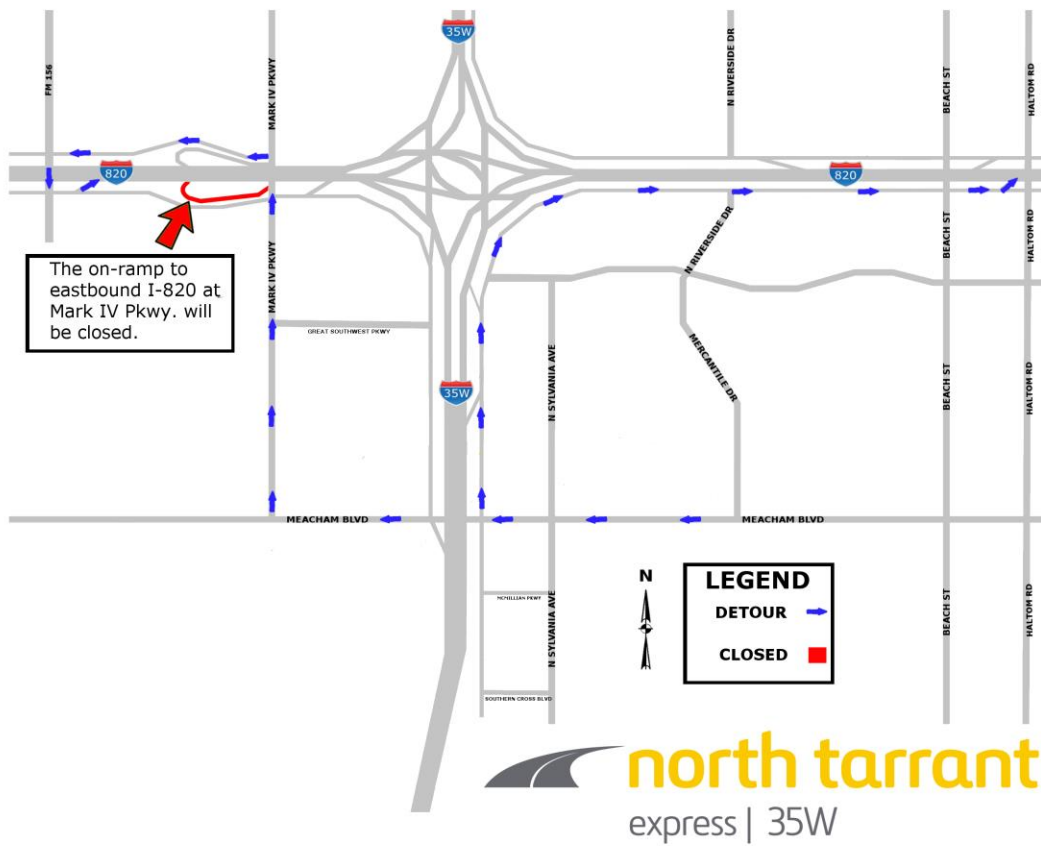

This work is weather-permitting. **Updated closure information is posted daily** on Twitter ([@NTExpress](https://twitter.com/NTExpress)) and Facebook (facebook.com/northtarrantexpress).

This work is part of the \$1.4 billion North Tarrant Express 35W project, which includes a 6.5-mile section that is currently ranked 23rd on the state's most congested roadways list. Ranked sixth when construction began in 2013, this section of I-35W from north of I-30 to north of I-820 including the I-35W/I-820 interchange in Fort Worth is already seeing traffic improvements with the reconstruction of main lanes and the addition of TEXpress Lanes.

Drivers are encouraged to "Know Before They Go," and visit www.northtarrantexpress.com for upcoming closures. To view detour maps, please visit the [Alternate Route Map](#) page. Also, as lane closures are updated frequently, please visit the [Lane Closures](#) page daily for the most current information. Closures are subject to weather conditions, and construction activities may be postponed if necessary.
